CAT IN HOODIE

JUSTA GANGSTA CAT ON THE BLOCKCHAIN

\$HODI ain't just any cat in a hoodie, he's an OG and ready to take on all the other cat memes with a growing posse that's got his back.

THE RISE OF \$HODI

As a kitten, HODI learned all about the hustle, the grind, and not stoppin' no matter how many times he got knocked down.

HODI's story is one of survival, smarts on the block, and swagger. Once at the bottom, he's now clawin' his way to the top.

HODI's got nothing but love & respect for the crew and always has their back... for life.

HODI believes respect and trust are to be earned, not expected.

In the world of sheltered meme cats, HODI'S time to reign supreme has come.
